Here's the Scoop...

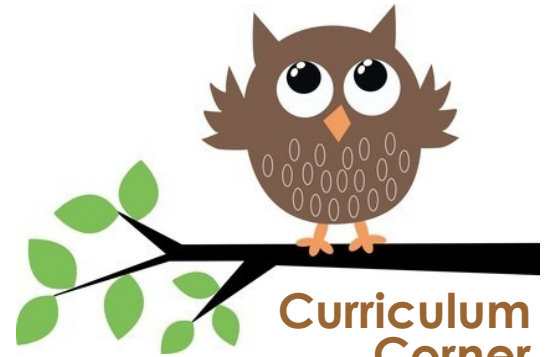

We had a very fun February! We began the month with our Preschool concert. We were so proud of all of our students. They did an amazing job singing and dancing on the stage for family and friends.

We also learned about what it means to be responsible. We talked about all the ways we show responsibility at home and at school.

One of our favorite activities this month was making our mailboxes and then passing out all of our Valentines to our friends at our celebration.

We had special visitors from taking a Yoga class, to a dentist visit and then our guest reader Ms. Susie.

We Loved February and are looking forward to March!!!
