FITNATION GROUP EXERCISE CLASS DESCRIPTIONS

CARDIO

BODYATTACK®: A high energy, sports-inspired interval training, cardio workout for building strength, stamina and agility. Combined athletic movements and strength exercises will push you toward your fitness goals. (**Express:** 45 minute class)

BODYCOMBAT®: This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as Karate, Tae Kwon Do, Tai Chi, and Muay Thai. This non-contact format is supported by strong, powerful music.

BODYSTEP®: Compelling cardio fitness that shapes and tones the legs, improves coordination, bone density, posture and agility with easy to follow choreographed combinations using an adjustable step platform. (**Express:** 45 minute class)

TABATA CARDIO: An intense HIIT cardio workout with 4 minute sets of work consisting of 8 20 sec rounds per set w/ a 10 sec rest.

CARDIO/STRENGTH

BOOT CAMP: This class is a heart pumping, muscle flexing, challenging workout. Simple cardio combinations will be taught with intervals of strength training (weights, tubes, pump bars, etc..) mixed in.

CARDIO BARRE: Classic barre exercises combined with timed interval training. Intervals will increase the heart rate, while the classic barre movements will lower the heart rate but create that burn in the muscles. Exercises are lower impact with options to take it up.

CARDIO COMBO GOLD: A lower impact class using different equipment for light cardio and strength exercises! A full body workout that is easier on the joints but full of heart pumping fun!

CARDIO PILATES: Traditional Pilates exercises using a variety of equipment to strengthen and tone the core mixed with easy to follow cardio drills designed to raise the heart rate for a great metabolic conditioning workout. This great balance of cardio and strength exercises is an all over body workout to burn calories and develop muscles at the same time.

LIIT GOLD: A fun, non-impact, fitness class designed for the active older adult, someone new to exercise or someone just getting back into exercise and wants to ease back in. An interval cardio and strength workout consisting timed exercises followed by periods of rest. Different equipment and modalities will be utilized for an all over body workout.

PILOXING: A cardio strength class that includes easy to follow boxing combos intermixed with standing Pilates strength intervals.

Participants have an option to take class in bare feet to strengthen the feet and ankles as well as maintain better balance during Pilates.

PILATES FUSION: A mat-based fusion of a HIIT workout with traditional Pilates and Pilates inspired moves. The perfect balance of cardio and strength. Total body defining moves will leave you feeling strong and balanced.

MIND/BODY ****Please bring a Yoga mat to class with you****

BODYBALANCE®: A yoga, Tai Chi, Pilates workout that builds flexibility, strength and leaves you feeling centered and calm.

YOGA: Work all major and minor muscle groups by repeating a series of poses and flowing them together to develop strength, flexibility, endurance and mindfulness.

GENTLE SUPPORTED YOGA: Ideal for anyone with wrist, knee, or shoulder issues who want the physical and mental benefits of yoga. Chairs will be provided to give you a great stretch, help build strength and improve balance without having to get up and down on the mat.

POWER YOGA: Yoga with a kick. Be prepared to move through a combinations of yoga poses that will challenge, lengthen, and strengthen your muscles. You will leave feeling strong and calm.

VINYASA FLOW: An athletic approach to yoga using continuous movements and poses linked with the breath. This will get your heart rate up and have you working up a sweat.

DANCE

ZUMBA®: A fun, Latin, cardio dance class that combines all styles of Latin dance/music.

ZUMBA GOLD®: Zumba moves designed for the active older adult or someone just starting out, new to fitness.

STRENGTH TRAINING

BARRE: A class that utilizes ballet principles to build strength in the lower body. Focus will also be placed on core strength and balance.

BODYPUMP®: A choreographed strength and conditioning classes that uses high repetition with weighted barbells and inspiring music to motivate participants through 10 music tracks.

CORE BLAST: This 30 minute class strengthens and stabilizes all the muscles of the core. Different equipment will be utilized to help build a strong and lean midsection!

MUSCLE MASHUP: Love to be surprised with every class? This class will keep you and your muscles guessing what comes next. All types of strength equipment will be used for all styles of lifting!

CORE & MORE: 30-45 minutes of mainly Core Blast training(description above) combined with multi muscular strength moves.

STRONG & LEAN: A multi muscular free style strength class to achieve longer leaner muscle tone and improve muscle endurance! Upper and lower body exercises will be taught together using a variety of different equipment. (UBT– Upper Body Toning)

FITNATION GROUP EXERCISE CLASS DESCRIPTIONS (cont.)

AQUATIC

HYDRO-FIT: This class uses water's resistance for an aerobic, strengthening, and ROM workout. The water allows for less joint impact and an increase in hydrostatic pressure.

INDOOR CYCLING

CYCLE: An awesome 50 min indoor cycling class that provides a fun and challenging cardiovascular workout for all fitness levels.

POWER RIDE EXPRESS: This 45 minute class will use powerful music to focus on a high intensity ride to increase your heart rate and burn fat in a shorter amount of time. All skill levels are welcome as modification will be given to reduce the intensity if needed.
