BODYATTACK®: A high energy, sports-inspired interval training, cardio workout for building strength and stamina. Dynamic instructors and powerful music motivate everyone towards his/her fitness goals. (**BodyAttack & Core II:** BodyAttack tracks with intervals of core training)

BODYCOMBAT®: This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as Karate, Tae Kwon Do, Tai Chi, and Muay Thai supported by driving music.

BODYSTEP®: Compelling cardio fitness that shapes and tones the legs, improves coordination bone density, posture and agility with easy to follow choreographed combinations using an adjustable step platform.

CARDIO SHAKE UP: Each week you will be challenged with a combination of different styles of workouts! Instructor will choose any combination of formats that may include Kickbox, Step, Hi/Lo aerobics, HIIT Training, Strength and more..... This workout is designed to shake up and wake up your body.

TABATA CARDIO: An intense HIIT cardio workout with 4 minute sets of work consisting of 8 20 sec rounds per set w/ a 10 sec rest.

CARDIO/STRENGTH

BOOT CAMP: This class is a heart pumping, muscle flexing, challenging workout. Simple cardio combinations will be taught with intervals of strength training (weights, tubes, pump bars, etc..) in between.

CARDIO COMBO GOLD: A lower impact class using different equipment for light cardio and strength exercises! A full body workout easier on the joints but full of heart pumping fun!

CARDIO PILATES: Traditional Pilates exercises using a variety of equipment to strengthen and tone the core mixed with easy to Follow cardio drills designed to raise the heart rate for a great metabolic conditioning workout. This great balance of cardio and strength Exercises is an all over body workout to burn calories and develop muscles at the same time.

LIIT GOLD: A fun, non-impact, fitness class designed for the active older adult, someone new to exercise or someone just getting back into exercise and wants to ease back in. A low intensity interval cardio and strength workout consisting of 8, 20 second rounds of either strength or cardio sets with a 10 second rest in between. All different equipment and modalities will be utilized for an all over body workout.

PILOXING: A cardio strength class that includes easy to follow boxing combos intermixed with standing pilates strength intervals. Participants have an option to take class in bare feet to strengthen the feet and ankles as well as maintain better balance during Pilates.

MIND/BODY

BODYBALANCE®: A yoga, Tai Chi, Pilates workout that builds flexibility, strength and leaves you feeling centered and calm.

YOGA: Work all major and minor muscle groups by repeating a series of poses and flowing them together to develop strength, flexibility, endurance and mindfulness. Consistent attendance will provide the most benefits! (**POWER YOGA:** Yoga with a kick. Be prepared to move Through a combination of yoga poses that will challenge, lengthen, and strengthen your muscles. You will leave feeling strong and calm!)
